

CHURCH Nursery Schedule

Thank you all for your willingness to help and May God bless each of you! I tried very hard to avoid any known conflicts in scheduling, but as we all know, things do come up. If at all possible try to trade with the person in the preceding week or the following week. If you do make a substitution, please call the church office (754-3639). **Since some Sundays are better attended than others, we may have to separate the babies from the toddlers for the safety of all the children.**
